Hi, my name's Jim Bob Brown and I'm a farmer. I live on a farm in Indiana with my wife and my four <sup>1</sup> children (child). We've got lots of different animals on our farm: forty <sup>2</sup> cows (cow), and eight calves\*. We've also got some <sup>3</sup> goats (goat), <sup>4</sup> sheep (sheep), <sup>5</sup> chickens (chicken), and <sup>6</sup> geese (goose).

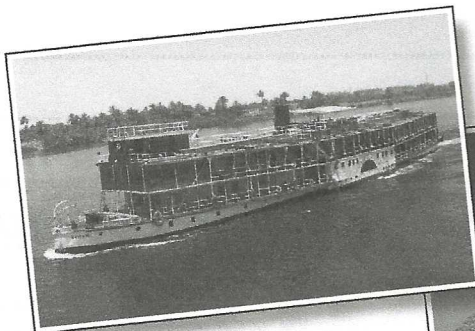

I have to walk around a lot on my farm because there's so much work to do and in the evening my <sup>7</sup> feet (foot) are tired. But I like my job. Yesterday evening my family and I went to a lake. We had a picnic there and then my youngest son Bill caught two <sup>8</sup> fish (fish). I'm really proud of him. He wants to be a farmer too. Many <sup>9</sup> people (person) think that farming is a hard job – they're right, but it's never boring and I get a lot of fresh\* air!
